

NEW PRODUCT DATA AND APPLICATION SHEET

CATALOGUE # 56CVxxx	DESCRIPTION 56 Series combination switched socket outlets	BARCODE #
-------------------------------	---	------------------

DESCRIPTION 56 Series™ combination switched socket outlets

56CV310RO & 56CV432GY

BOX QUANTITY	2 per for 2 gang	OUTER QUANTITY	n/a
---------------------	------------------	-----------------------	-----

FEATURES

Benefits are as with the NEW 56 Series switches and sockets – refer to these Product Data Sheets for details, as well as:

- > Centre pivot bungs removed, reducing stress and increasing product strength
- > CV flap opens an additional 8° for improved access*
- > LED capable for illuminated indication

Fundamental new benefits:

- > Easier operation
- > Improved strength and integrity
- > New cover gasket, now IP66 without the need for No9 caps
- > Laser engraved ratings
- > Design profile and aesthetics improved, reducing dirt build up areas

Maintains existing features associated with 56 Series:

- > Transparent hinged flap, automatically snaps shut when plug is withdrawn
- > 32A and above have mechanical interlock as standard, preventing plugs being inserted or withdrawn when switch is on. Available on 16A and 20A upon request
- > 16A & 20A with one piece, internally wired, switch and socket base

* The 56CV's degree of opening varies from the 56SO's due to differing design

NEW PRODUCT DATA AND APPLICATION SHEET
